

"Empowering Surgenos, Enhancing Lives"

Anticipate, simplify and professionalize are our drivers.
Join us now to help rethink ophthalmic surgery.

Peeling set

Tailor-made : Build your own instrument set from a portfolio of 1000 instruments which allows surgeons to prepare ahead of time for success

Simplify : Reduce number of SKU's which contributes to a better work environment for all stakeholders

Constant quality : Gear Surgicals offers a quality equivalent to reusable devices allowing surgeons to use them constantly

Environmentally friendly : Instrument sets are presented in a paper pouch avoiding heavy plastic inserts

Circular economy : We are building a recycling program to give a second life to the stainless steel our instruments are made of

Cost controlling : We are offering integrated solutions to allow the circulation of a fixed cost per surgical act

*You want to do a peripheral vitrectomy?

We recommend you to add the Double ended scleral indenter
